**FAMILIES**

Six new homeowner families were selected and ten families are currently working on sweat equity.

Eight partner families participated in financial and homeowner education classes.

The Harris and Caravan families paid off their mortgages with Habitat! They are the 6th and 7th families to pay off their homes.

In lieu of going to Suttle Lake for our 10th Annual Creation Vacation Family Camp, 8 Camp-in-a-Box Kits were distributed to families so they could experience some camp activities at home.

**CONSTRUCTION**

In 2020 the Sisters Habitat volunteer construction team built two Energy Star certified homes which were purchased by the Likens and Neal families. To date, Sisters Habitat has provided homeownership opportunities to 70 families.

Began work on 4 homes in the ClearPine neighborhood. The homes will be purchased by the Gooke, Johns, Mantell, and Yates families. These are the first homes to be built on land trust property that will maintain permanent affordability of the homes. The Heart of Oregon Corps is building two of the homes.

Renovation of two homes that were bought back from the Guinn and Faludi families was started. The homes will be purchased by the Sitton and Chew families.

Our Home Repair team completed one home repair for the Hart Family.

46 construction volunteers worked a total of 5,863 hours in 2020.

Students from Gonzaga University in Washington helped build during their Spring Break just before the COVID shut down.

In March, we hosted a team of 9 women from the Redmond Lowe’s store for our 10th Annual Women Build.

Randy Montee was hired as part-time Site Supervisor.
