

About the Awards...

Each year, Sisters Habitat for Humanity celebrates the impact we make in our community, and our world, through volunteer service. With this in mind, we recognize the outstanding commitment of our volunteers. We are grateful to all of you who offer your time and talent to help Habitat build homes, community, and hope.

The **President's awards** are given to those who volunteer 100 hours or more during a one-year period. **Bronze is awarded to those with hours from 100-249, Silver 250-499 and Gold 500 or more hours.**

The **1,000 Hour Club** was started in 2009 to recognize volunteers who reached 1,000 hours of volunteer service. With the addition of **Julie Boyd, Bob Bryant, Robert Buchholz, Nancy Durbin, Chris Frazier, Linda Hespe, Tom Hughes, and Richard MacConnell**, this year, Sisters Habitat now has 121 members! See insert for full list.
